

New Mexico
Medical Review Commission

NMMRC Volunteer Panelist
THANK YOU!

Happy National Volunteer Week

You Impact the Medical Legal Community

The New Mexico Medical Review Commission
would not function without the support and
dedication of the attorney and medical
volunteers who serve as panelists for the
hearings held by the Commission.

Three Medical
Professionals

Three Legal
Professionals

Together you are the
panel of your peers

You Benefit New Mexico

New Mexico Benefits

The New Mexico Medical Review Commission (NMMRC) eases the burden of malpractice claims on New Mexico Courts.

- In the past only 27% of cases heard by the Commission were ever filed in court.
- Better New Mexico Professionals and its patients
- Professional Accountability

Professional Benefits

Educational Experience:

- Medical professionals learn from others mistakes - what not to do
- Legal professionals - gain practice skills, how to present and defend medical malpractice

Professional Education Credits:

- New Mexico Specific CME
Four (4) CME Credit hours, up to 40 credits in any three year reporting period
- CLE - one (1) credit hour up to four (4) general CLE credits a year.

Celebrating YOU this National Volunteer Week 2025 April 20th - April 26th

**“ I would like to personally thank the volunteers who have provided invaluable assistance to the Commission in carrying out its statutory duties under the New Mexico Medical Malpractice Act. Without your assistance we would be unable to provide the screening process which has been in place since the early 80s.
Thank you very much.”**
